 College Auditorium

Principal
Dr. Bhavana Chauhan

Co-Ordinator
Dr. Poonam Oza
(Vice President)

About Student Induction Programme:

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration.

The term induction is generally used to describe the whole process whereby the incumbents adjust to or acclimatize to their new roles and environment. In other words, it is a well planned event to educate the new entrants about the environment in a particular institution, and connect them with the people in it.

Student Induction Programme engages with the new students as soon as they come into the institution; before regular classes start. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values, and their mentor groups are formed.

Currently, precious little is done by most institutions, except for an orientation Programme lasting a couple of days. Student Induction is designed to help in the whole process. Therefore, it should be taken seriously, and as something more than the mere orientation Programme.

Therefore S.M. Patel College of Home Science organized a week induction programme from 1st to 6th July, 2024 for the first year students under the guidance of the Principal Dr. Bhavana Chauhan and with the support of IQAC, organized by the vice president of student council Dr. Poonam Oza.

Last Day 6/7/2024

Visit to Sardar Patel Memorial

The college planned a visit to the Sardar Patel and Vittalbhai Patel memorial which is located in Karamsad. The memorial is a historical site that was constructed in such a way that it is strong and durable and represents the iron will of Sardar, and it is surrounded by garden to show his mother-like nature. Students were motivated after viewing a journey towards India's freedom fight, in the form of a short film, and they had a great time interacting with other students.

The Beginning of end is a start to a new Journey...
