WEBINAR REPORT - SSIP

02-07-2020

Student Startup and innovation policy along with the department of Textiles and clothing conducted a online webinar on “Entrepreneurship”, on 2nd July 2020. Mr. Nilkanthbhai Patel, Coordinator, Centre for Entrepreneurship Development, Anand centre, Govt. of Gujarat was invited as an expert. Approximately 45 third year BSc from Textile and Clothing and F.S.Q.C major subjects participated in the webinar. Mr. Nilkanth Patel briefed students with various schemes, training facilities and financial assistance from government of Gujarat provided to women entrepreneurs aged between 18 to 45 years of age. He also insisted students to join one day orientation programme organized by government of Gujarat for the same.

The event was organised by Ms. Alpana Shah, associate professor. Later on Ms. Nishtha Dave, T.Y.B.Sc.(Textiles and Clothing) underwent 15 days online training for the same, her proposal was selected for assistance but due to her selection in Postgraduate programme at M.S.University , Vadodara she was unable to carry it forward.

WORKSHOP REPORT-SSIP 22-10-2020

The Student Start-up and Innovation Policy (SSIP), S.M.Patel College of Home Science had organized an online workshop on “Introduction to Social Entrepreneurship” on Thursday, 22nd October 2020 , 12.00 p.m. onwards. The participants were third year 101 students and faculties. Mr. Aditya Raj Gupta from Mahatma Gandhi Institute for rural development was invited as resource person for the workshop. The speaker-oriented participants with meaning of social entrepreneurship, need and importance of social entrepreneurship. He also discussed some of the social entrepreneurship initiatives taken at national level. Later on shared an e-form for some ideas of social entrepreneurs from the participants, carried out discussions on those ideas, manner to proceed and how to apply online.

At the end of the session an interactive session with participant ideas on social entrepreneurship was also carried out. The programme was carried out by Ms. Alpana Shah, the SSIP Coordinator and IQAC team of the college.

WEBINAR REPORT-SSIP

18-02-2021

The SSIP Cell of the S.M.Patel College of Home Science had organized a webinar on Thursday, 18th February 2021 , “Student Start-up and Innovation Policy (SSIP)” with the aim of creating awareness about the policy among the students. The participants were final year and first year students along with faculties, approximately 230 participants were there.

The program was steered offline and online mode of delivery. Dr. S.H.Chaki, the Coordinator ‘Navadhara’, SSIP SPU was the speaker. The webinar started with welcoming and introducing Dr. Chaki to the participants by Ms. Alpana Shah, convener of the programme. Afterwards Dr. Bhavana Chauhan threw light on role of Home Science students in SSIP. Dr. Chaki oriented students with aim and objectives of SSIP, eligibility criteria, team forming, process of applying and the financial assistance provided on the project. He also shared some of the funded start-ups and how students in Home Science can generate ideas for their start-ups. At the end Ms. Aeram Memon delivered vote of thanks.
