1. National Handloom Day celebration:

Textiles and Clothing Department, S. M Patel College of Home Science celebrated National handloom day on 8th August 2023 followed by fashion show. Nita Vaghela, Weaver, Swasthya Mahila Seva Sangh, Anand, was invited as an expert for the event. She focused on the handloom practices in the current scenario. She also enlightened students on process of weaving on Handloom.

28 Students of second year and third year of Textiles and Clothing Department participated in the celebration. Garments for the fashion show were designed and constructed by the students with various embellishment techniques. The main theme of the fashion show was integration of handloom fabrics in woman's wear.

2. An expert session on “Sustainable fiber in current Textile Industry” was conducted by Textiles and Clothing department, S. M Patel college of Home Science dated 14th October 2023. Ms. Vaishali Kharate was invited as an expert for the session. She was studio assistant at Grasim Industries Limited, Aditya Birla Group, Surat. Expert delivered knowledge on sustainable fibre types and its production by the India’s leading industry, Aditya Birla Group. Moreover, she focused on the demand of sustainable fibre in current industry and its impact on global warming. Students became aware of the word sustainable and the whole concept of sustainable fibre was understood properly.

3. Educational Visit:

Students of Textiles and Clothing department, S. M Patel college of Home Science, visited an exhibition of handloom products at Vallabh Vidyanagar, Anand on 22nd August 2023.

4. Workshop organized in NSS camp

An extension activity was carried out by Textiles and Clothing Department on 4th January 2024 at Sihol village.

Primary and Secondary school girls were taught bead work to make various types of jewellery as income generating activity during NSS camp. Dr. Poonam Oza and T.Y.TC students conducted the workshop.

5. Workshop on Aqueous Embroidery and Accessory Making:

Two days' workshop on "Aqueous embroidery and accessory making" was organized by Textiles and clothing department, S. M Patel college of Home Science, on 17th and 18th January 2024.

Nisha Mohan was invited as an expert for the workshop. She taught innovative implementation of aqueous embroidery on the fabric surface.

Article made by implementing aqueous embroidery were tribal pendants, table cloth, cushion covers along with cut work.

6. Indian National Tourism Day celebration

Tourism Club of Family Resource Management, S. M Patel college of Home Science celebrated “Indian National Tourism week” in association with Textiles and Clothing Department on 29th January 2024. A competition on “Traditional costumes of India”, followed by an exhibition, was organized as a part of celebration. Participants wore traditional costumes of different regions of India and greeted the audience in their regional language. Traditional sarees of India were exhibited in the exhibition. Many of the students have actively participated and enjoyed.
