As part of their curriculum, V semester Family Resource Management students embarked on a summer internship program between May 1st and 30th, 2023. This program aimed to bridge the gap between theoretical knowledge and practical application in the field. Partnering with esteemed establishments in the Anand District, including Madhubhan Resort and Spa, Hotel H, Hotel Hummingbird, DesiFirangi Restaurant, students gained valuable experience in various hospitality operations like food and beverage service, housekeeping, and front office procedures. This hands-on learning allowed them to interact with guests, contribute to a smooth guest experience, and gain insights into the day-to-day workings of the hospitality industry.

Further expanding their professional horizons, a select group of students secured internships with renowned interior design firms such as Mayur Shah and Associates and Prakashan Kaksh Architects. Working alongside experienced professionals, they delved into the intricacies of interior design, from crafting initial sketches to visualizing the final execution. Additionally, one student gained practical knowledge in event planning through an internship at Harthvi Events, learning the ropes of event logistics and execution firsthand. Also one student has taken an internship at ITC, Mogri-an AUTOCAD learning centre.

Throughout the program, students honed essential skills beyond technical expertise. They developed strong communication and leadership abilities while fostering teamwork and professional etiquette. By meticulously documenting their experiences and completing all assigned tasks, they showcased dedication and a commitment to personal growth. Their commitment was further recognized by the participating institutions, who commended their contribution and provided stipends along with training certificates upon completion of the program.
